### Car Wash/Detail Applications

G&G's IP69K rated linear luminaires are an excellent match for the harsh environments found in the car wash and detail industry. Our rugged housing utilizes a seamless copolyester lens for superior chemical resistance and durability. The quick-connect wiring system allows operators to install long runs easily and efficiently. This innovative line is also available in four color options to enhance facilities and various wash packages. From wash tunnels and self-service wash bays to equipment rooms and vacuum canopies, G&G's versatile WPX series is tried and true for car wash and detail applications.
